

# ASSESSOR MARKS AND COMMENTS (ENGLISH)

## Textual analysis

<b>TA07</b>	Water		
<b>Criterion A</b>	Cultural context (8)	<b>Mark</b>	8/8
<b>Comments</b>	This work demonstrates excellent selections in the choice of research material. The research is relevant and is integrated seamlessly into the essay text. The work is correctly cited throughout. The candidate shows an excellent understanding of the cultural context and makes it relevant to the director's filmic choices. Stills are used intelligently to illuminate the cultural context as well as the identified film elements.		
<b>Criterion B</b>	Film elements (12)	<b>Mark</b>	11/12
<b>Comments</b>	There is evidence of excellent understand and engagement in this work. The analysis is detailed and incisive with a thoughtful balance between breadth and depth of analysis. The comments on the script and the choices in language are illuminating. There is lack of simple description or plot retelling and the candidate uses the full extent of the word count for analysis.		
<b>Criterion C</b>	Relationships within the film text (8)	<b>Mark</b>	8/8
<b>Comments</b>	This candidate clearly understands the two requirements in Criterion C. The candidate weaves their observations in to the text of the assignment rather than treating Criterion C as a separate section of the Textual Analysis and this is to be commended.		
<b>General commentary</b>	A wonderful textual analysis that is well researched, balanced, detailed and incisive. An exemplary piece. There is thoughtful use of still images to support the ideas in the text.	<b>Total Mark</b>	27/28
