

Homework due Wednesday:

- 1) Bring back today's note sheet (or leave with me).
- 2) Find a video clip/scene (a link) that is a good example of your director's style and shows off one of the character types your group decided on.

[Please add your link here.](#)

And if you have to do more work on your Comparative Study ([as indicated here](#)), that is due on Thursday.

And, and... if you have not completed your First Film Commentary ([#4 here](#)), that is due on Friday.
