

## The Film Portfolio

### Testing in IB Film? Or thinking about testing?

*You have until the end of October to sign-up for IB tests, but we need to get started on the assessments now...  
so if you are even considering testing in IB Film, please begin this first assessment assignment*

- 1) Re-read the Film Portfolio section on the “IB Assessment Cheat Sheet” - the tan sheet you got last week.
- 2) Then, **read over the [Film Portfolio assessment in the Film Guide](#)**.
  - a. Use link above or find it via the class homepage *IB Film > IB Film Resources & Notes (at top) > IB Official Documents (in the middle) > IB Film Guide*
  - b. Go to the section titled: “Film portfolio (SL and HL)” on PDF numbered as pages 62-70, pages listed online are 54-62.
- 3) There is a lot of information there, you do not need to understand it all – but you do need to begin to understand what will be asked of you. So some parts feel free to skim more than others.
- 4) **DUE: after reading through the Film Portfolio expectations, you are required to submit at least two questions you have about the assessment. This is due by 8pm, Sunday, 9/23.**
  - a. Please, do not ask questions just to ask questions – ask real questions, what confuses you? what do you want to know more about? etc. (*and there is no need to ask questions about due dates, we will go over this in class*)
  - b. If at all possible, please submit your questions via a shared document (Google Doc, Word Online, or?) link sent via email to Ms. Bacon.
    - You will be adding information, reflecting, answering questions, etc. as we continue this assessment this year and a shared document is preferable so you can keep your work together and organized.
    - If you are unable to submit your questions this way, please send them via email.
