

Due Sunday Night...

Watch your chosen film and acknowledge that you have [here](#).

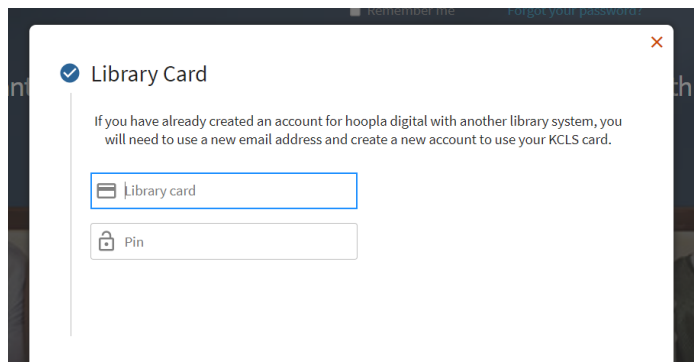

→ while you watch, you may want to think about which scene might be a good one to analyze ([you'll need to indicate this by Monday, Feb. 11](#))

Note: Both *Amélie* and *Ida* are available via Hoopla (which you can access via KCLS).

1. Go to [Hoopla](#) >
2. Create an account (add email and password) >
3. Choose King County Library (or type it in if it doesn't show up)>

4. Enter your library card info (if you have a KCLS card, enter that – otherwise, use the [Issaquah/KCLS access](#))>

5. Then search for the film & enjoy.
