

Your Job: Come up with TWO story ideas.

One must take place at school.

The other should take place away from school, but be film-able (no actual moonwalk, high-speed car chases, etc.).

Write down your TWO story ideas (*here are ways to go about doing this...*)

- Write a short story
- Describe the situation in descriptive chunks of sentences.
- Write a list of what happens

Due: You will turn in your ideas at the start of class on Wednesday, October 31. You may hand write or type your ideas.

Need help coming up with an idea, want inspiration:

Take a listen to a few [Story Corps](#) stories. These are unscripted 2-4 minute stories by a very wide variety of people. You can browse all stories or choose to listen to stories by location (try [Washington](#) or [Texas](#)?), by topic ([Love Stories](#), [9/11](#)...), or year ([2014](#), [2005](#)?).

Choose an emotion: come up with a funny/happy conversation/scene or a sad/depressing/angry conversation/ scene.

Recall a real life situation and fictionalize it.

I've never used these sites – but there seem to be lots of [ideas here](#) [or here](#) [or here](#).

Eventually this will be another screenplay idea – so that may help you decided what to write.
