

Homework: Watch Some Videos!

1. Select three video essays from any of the **channels** below.
 - be sure to select ones that are about film or tv
 - and choose ones that seem interesting/ones that you are curious about
 - watch them all the way through (*if you don't like it after a minute or two, choose another one to watch!*)
2. Then [comment on each video via this survey link](#).
 - you will need to complete the survey three times – one for each video essay you watch
 - you will also need to copy and paste the link for the video in the survey, so keep that in mind
3. Due by Monday, **October 8, 9pm**.
