

## Name Tag!

Get small card with your name and a lanyard.

Before putting name card in plastic holder...

- 1) Glue the image of the first movie you saw in the theater on the side opposite your name.
- 2) Add "IB Film" clearly on either side.
- 3) Decorate – a bit (have to add something) or a lot
  - but be sure your name remains very readable

When you finish this, please give to Ms. Bacon.
