

# YESTERDAY

**Director: Danny Boyle**

**INCITING INCIDENT:** Jack is hit by a bus & wakes up to a world where no one has heard of The Beatles.

**THE SCENE WHERE... Jack plays "Let It Be" for his parents:**

- Pictures of young Jack hover over his parents & Jack.
- On the piano, sits an award for Best Paperback Writer. ("Paperback Writer")
- The shelf behind the neighbor Terry contains many figurines, including an octopus. ("Octopus's Garden")

**THE CHARACTER... ROCKY:**

- Name is a nod to "Rocky Raccoon"
- Wears only plain t-shirts (*loyalties*)
- Almost always framed in a doorway (*guidance*)

**FUN FACT:** One of only two non-R-rated movies by director Danny Boyle, also one of his lowest rated films on Rotten Tomatoes (*side note: check out Boyle's other films, he has some truly great ones!*)

**END NOTE:** The film gets mixed reviews, it's sometimes labeled as a RomCom, it has Ed Sheeran... but I still enjoyed it 😊
