

## Homework – for THURSDAY:

1) Regarding your chosen movie and chosen scene...

2) Find and describe (with specifics) **five (5) elements\*** of cinematography

- **you must add cited research for this submission** (research any aspect of either the film's cinematography/or an element of cinematography to support your observations – see Monday & Tuesday's assignment for source suggestions).

- email or [submit online](#) before class starts on THURSDAY

Remember: speak just to cinematography and include **support** (how do you know?)

\* please go beyond just describing the shot type/angle – EXPLAIN why/how!

*see [these notes](#) from class on what you could/should address*
