

Read a little about the film *Citizen Kane* (1941). Then, **before 10am this Wednesday, October 18<sup>th</sup>**, email one fun fact you learned about the film and/or director Orson Welles.

- Write the fun fact (and “fun” isn’t specific, it can be interesting, surprising, weird, intriguing, etc.) in your own words; copying and pasting info will not suffice.

- And please don’t send the first fact you find, read a bit (but avoid any “spoilers”) – if your fact is unique, you’ll be rewarded.
