On behalf of Chapman University's Dodge College of Film and Media Arts, I would like to invite your students to join us for our annual Leo Freedman Foundation First Cut Screening in Seattle! This annual event promotes our top student films from the previous year as determined by a panel of distinguished alumni and industry representatives. The screening is a great opportunity to network with the student filmmakers, alumni and admission representatives from Dodge College.

The screening in Seattle is on **Saturday, October 14th** at the SIFF Cinema Uptown. For more information on the event and to RSVP, please visit our [website](#). (*There is no cost to this event but RSVP is required*). If you have any questions, please feel free to contact me directly.

Here is a link to a clips reel of the films that will be shown at the event:
