

Day VII

Work Some More!

- 1) Refine your theme/thesis
- 2) Research
- 3) Seek additional films as support
- 4) Find scenes and/or particular elements in your films you will use
- 5) Organize your ideas
- 6) etc...

DUE By the end of class:

TESTERS: nothing specific (but your 8-10 pages w/ bibliography is due Friday!)

Do make sure you have made reference to a film period/movement and filmmaking in country of origin of main films)

NON-TESTERS:

Making a trifold? – submit a diagram of the sections of your poster; can be rough, but be clear and show organizational effort (hand-written or on a document via email).

Making a video essay? – on paper or via email, briefly let me know how it's going.

Answer any/all of these questions:

What's going well, what's not?

Anything particularly frustrating?

Where are you at? What's taking you the most time?

etc.

If you cannot work on the Independent Study in class (probably meaning you have exhausted your in-class focus) and you need a break, first complete the [Blog assignment](#) and then work on the [movie list activity](#).

The Blog assignment is due next Wednesday, the movie list assignment is due later, but if you are asked to complete it – while not hard, and kind of fun - it will be due this Friday.
