

Testers...

Now, look at the comments and with a pen in hand, read your paper. Make changes/notes to yourself, etc.

And over the weekend, take ONE SOLID HOUR to go through your script. Without any distractions, read it, read your editing notes and make sure it makes sense.

On Monday (12/18) – **you will turn in your new and improved copy.** This copy can be emailed to me before class starts or turned as a hard copy at the start of class.

This is meant to give you a few extra focused minutes to clarify your ideas on this very unique assignment. I can give you feedback just one time – so the more clear it is now, the better feedback I can give -- and ultimately, your IB Film test score will be even higher (this assignment is 25% of your score for IB Film).
