

## Last Homework Assignment for IB Film -- Ever!

**A) Choose 5 to 10 movies that you believe are the best and/or are must-sees.**

**1. List them.**

2. And for some of them, think of **reasons why you chose the movies...** what makes them good? Why are they must-sees? How would you explain their good/awesomeness?

- These can be movies we have watched in class, movies you saw years ago, movies you watch over and over – your choice
- Also, they can be best/must-sees for any reason; there is no right answer here (though film language thrown in here and there wouldn't hurt☺)
- Jot down a few notes; doesn't need to be formal – but articulate some specifics

**B) Due: BEFORE class starts on Friday, June 8**

**C) Turn in via email** to [bacone@issaquah.wednet.edu](mailto:bacone@issaquah.wednet.edu)

- 1) List can be in the body of the email, an attached document, or a link to a Google Doc.
- 2) meaning... it needs to be typed and submitted electronically
