

Wednesday – May 16

Juniors – if you are able to **actively work** on the Reflections film, please do.

SF x S ad makers – **work on the commercial!**

All others – INDIVIDUALLY make an intermission montage/blooper film. This is a requirement if you are not doing the above...

Gather clips from films you've made others have made (everything should be on the Public Server in our IB Film folder).

Ideally...

- 1) there would be a variety of people in the montage,
- 2) they would be fun for all (not just our class and definitely not at the expense of the person),
- 3) they wouldn't necessarily need the audio to make sense
- 4) you must work on your own and
- 5) be creative!

You will earn participation points for today if you are doing one of the above.
