

Tomorrow:

**Quiz** in class (Common Language II, Movie Types & Genre, and Mise en Scène)

**Think, Be Creative** assignment due to Turnitin before class begins.

**Alternate Assignment for Casablanca** (due by 11pm tomorrow)

*Not here yesterday?* We discussed movie types and genre (the class PowerPoint is on the website; it will be part of your quiz tomorrow) and watched the beginning of a few horror films.

*- if you want to make up the discussion, you can complete one side of the half-sheet (get it from me today) AND answer the question: why does genre and movie type matter (answers are on the PP).*
