

IB Film Promo

10 Project Points

Graded on making a 30 sec., 45 sec, or 1 minute film that is:

- good...
- enticing and...
- explains what students should know about IB Film.

- yes, this is very vague but at this point, you should be able to do this, even in 5 days!

- ❖ bonus points for your film being chosen as the one we will use to advertise

It is a five-day challenge: you will have all class days this week to plan and create your film. With hope you will be finished at the end of class on Friday – but it will not be due until the following Wednesday, 2/14 (no class time available next week).
