

Requirements: directions on Celtx doc on class website, page 5

- A scene heading

must begin with INT. or EXT. (interior or exterior)

then a brief location

then general time of day

- The action line

a description/explanation of the scene

- it writes like a paragraph/prose

- be brief here – try to avoid screen direction/camera angles/shots (that’s for the director/cinematographer) and avoid giving background

- Character name

- Dialog

Write a 3-5 page scene in Celtx

Must have these listed requirements

This is your first try – see what you can do!

Due: Monday, September 25. Turn in hard copy to the start of class on Monday.
